- First day of the Spring semester!

January 15

- Martin Luther King Jr. Day: NO SCHOOL

January 22-26

- Oceans Week

January 23 and 25

- 6:30PM-Parent Class at First United Methodist Church Downtown

## FOUR-YEAR-OLD STUDENTS

The four-year-old friends will be reviewing the letters and numbers we have worked on so far. We will also be reviewing school rules and procedures. We will begin learning about oceans, the letter Oo, and working on opposites and positional words.

## THREE-YEAR-OLD STUDENTS

This month, we will be learning the letters N, O, and P; as well as talking about the New Year, oceans, and Winter. We will continue to review numbers 1-10, letters A-M, and our colors.

## REMINDERS FOR PARENTS

**-It is important to make sure that your student arrives to school on time every day. If your student arrives after the cutoff time for breakfast, you will be required to stay and sit with your child in the kitchen while they eat. The cutoff time for 3 yr. old students is 8:40AM and the cutoff for 4 yr. old students is 9:00AM**

**-Don't forget to check and sign your student's folder every night! This is an important way for your child's teacher to communicate with you.**

**-Make sure you are also checking your communication can on a regular basis, so you don't miss important school announcements and information regarding tuition and after-care.**

**-We are always in need of volunteers to help with breakfast and lunch. This an easy way to knock out some of your parent hours! If you are interested in helping, just ask Miss Ariel or Mr. Matt.**
