# THE SCHOOL SCOOP!

Character Trait : HONESTY (character of being honorable, ethical, upright, and moral)

## THREE YEAR OLD STUDENTS

This month, we will be discovering characteristics of the season of fall. We will examine the process of "Growing & Harvesting". The children will begin to learn about the letters D, E, F, G, & H; as well, the numbers 4, 5, 6, 7, & 8.

## FOUR YEAR OLD STUDENTS

We will be focusing on our shapes and cutting. We will also continue learning about the letters Aa, Rr, Ww, Hh, and Pp; as well as, the numbers 5, 6, 7, 8, and 9. We will focus on our character trait, honesty, throughout the month.

---

As we near cooler weather, jackets will be coming out of closets and making their way into everyday life. We are often in a rush to leave home in the morning, but when you do have time, please allow your children to put on their own jacket/coat. We realize it is much quicker to assist them with this task, but they must learn to do this on their own. They will feel independent and gain confidence with each task they master, so give them a little extra time, when possible!

---
